

A gentle workbook for becoming

Aligned Journaling for Your Goals

*Use alignment to guide your goals
and reflections*

A

01 / THE A IN ALIGN

Ask

*Set your desires down clearly,
gently, and with intention.*

01

Am I being specific enough?

02

Am I asking from lack?

03

Am I writing with ease?

L

02 / THE L IN ALIGN

Let Go

Release the pressure to control the path and its timing.

01

Am I still attached to the outcome?

02

Am I still gripping the result?

03

Am I operating from lack?

I

03 / THE I IN ALIGN

Inner Work

*Meet the beliefs beneath your goals
with curiosity and care.*

01

Do I believe that this is possible?

02

Do I hold beliefs about success?

03

Do I idealize the opinions of others?

G

Grow Up

Choose the steady practices that reflect the person you are becoming.

01

Am I in alignment with my desires?

02

Am I really focusing on myself?

03

Am I showing up as the version of me who already has it?

N

05 / THE N IN ALIGN

Normalize

Let your new reality become familiar, safe, and sustainable.

01

Do I believe in the transformation?

02

Can I maintain this?

03

Am I able to hold this?

A CLOSING NOTE

Alignment is not a destination. It is a practice of returning to yourself.

Take what resonates, write what is true, and allow your next step to be enough.
